

PROPOSAL FOR STREAM ADOPTION

Please fill out this questionnaire as completely as possible and return it to the address below. The information you provide will be used to send you appropriate materials and information, and in planning for the Stream Watch program.

Keep in mind that all sizes of streams, rivers, lakes, and estuaries are eligible for adoption. If you are not sure which one to pick, we can make some suggestions.

If you have any questions, please contact David Wojnowski at (919) 733-4064, or write:

Stream Watch Coordinator
NCDENR - Division of Water Resources
1611 Mail Service Center
Raleigh, North Carolina 27699-1611

Date: _____

1. Name you wish to call your group or organization.

2. Mailing address for all Stream Watch correspondence:

3. Contact Person: _____

Phone Number: (H) _____ / _____ (W) _____ / _____

E-mail _____

Secondary Contact: _____

Phone Number: (H) _____ / _____ (W) _____ / _____

E-mail _____

4. Describe the location of the water body to be adopted. Use bridges, roads, towns, or confluences with other bodies of water to define the upstream and downstream limits of your segment. (This is for our benefit, and you should not feel constrained by what you put down.) Please mark its location on the smaller river basin map enclosed and return the map with this form.

Water Body: _____

County(s): _____

Upstream Limit: _____

Downstream Limit: _____

5. River Basin in which your adopted water body is located:

6. What features of your adopted stream (both positive and negative) have sparked your interest in forming a Stream Watch group?

7. Describe any ongoing or planned activities for your group.

8. What information and kinds of assistance would be helpful to your group?

9. In the future, may other individuals interested in joining a Stream Watch contact your group?

10. How did you hear about the Stream Watch program?
