### Central Coastal Plain Capacity Use Area Permit Application

In accordance with G.S. 143-215.15 (d), notice is hereby given of receipt, on July 16, 2020, of an Application for renewal of permit # CU3124 issued to Lawn Pro, Inc. in the Central Coastal Plain Capacity Use Area.

Those wishing to comment on the application, as described below, should submit written comments to:

Division of Water Resources/Ground Water Management Branch  
Department of Environmental Quality  
1611 Mail Service Center  
Raleigh, NC 27699-1611  
Attn: Capacity Use Administration (Archdale -11<sup>th</sup> floor)

The application and supporting documentation are available for review during normal business hours at the Division offices in the Archdale Building at 512 North Salisbury Street in Raleigh, North Carolina (phone: 919-707-9008).

**Summary Description Of Proposed Activity:** The permit applicant, Mr. Gene Taylor of Lawn Pro, Inc. (wells are spread out over a 1.5 mile area near the intersection of Smith Road and Riggs Road, Hubert NC), proposes to withdraw and use a maximum of 250,000 gallons of ground water per day in Onslow County. Water withdrawals will be from eight wells in the Castle Hayne aquifer for the purpose of agricultural irrigation.
