

## **WAC Agenda Item**

### **Request Approval to Proceed with Rules Review of Rules 15A NCAC 02E in accordance with SL2013-413 (Action Item) (Nat Wilson)**

Staff will request approval to proceed to the Environmental Management Commission (EMC) with the review of the subject rules. The rules review follows the procedure mandated by Session Law 2013-413 and General Statute 150B. The review covers 27 rules in the Water Use Registration and Allocation subchapter (02E). Staff will recommend the initial determinations for all of these rules to be “necessary with substantive public interest.” If approved by this committee and the EMC, the rules would then move to the public comment phase of the review.
